

### **peach topped pizza**

premade thick crust pizza dough (pillsbury's works just fine)  
3 hot italian sausage links, casing removed & cut into 1/4" discs  
1 medium sweet onion, ringed  
4 cloves garlic, minced  
4 cups baby spinach  
sherry vinegar  
6 slices provolone cheese  
2 cups mozzarella cheese, shredded  
2 cups asiago cheese, shredded  
1-2 fresh peaches cut into slices  
peach iced tea for dipping

1. in a large skillet, begin cooking the sausage. after a few minutes add the onion and garlic. let sausage brown and be careful not to burn the garlic.
2. begin preparing pizza crust into a 9"x13" pan. precook the crust if directed to do so.
3. wilt the spinach in the microwave (about 30 seconds).
4. begin forming the pizza insides with the sausage & onion mixture, then the spinach. add some droplets of sherry vinegar across this layer. cover with provolone slices, mozzarella and asiago. top with fresh peach slices. bake pizza as directed on crust package.
5. serve with a small bowl of iced tea for dipping.

makes about 8 servings. enjoy! =)
